

18" LINEMAN BAG

YOUNGSTOWN GLOVE SKU # 210-18

Youngstown's **18" Lineman Bag** is designed to hold and carry rubber insulating gloves, leather protectors and Youngstown work gloves.

The super duty 20oz water resistant cotton canvas bag features **two covered main storage pockets as well as a small side pocket** for securely storing the daily glove inspection tool. Reinforced leather handles are attached to Velcro flaps, keeping contents secure and free of unwanted debris. Both main compartments feature brass grommets at the bottom for added ventilation. The reverse side features a heavy duty, 360° swiveling carabiner for easy access and storage.

**NEW
